DOCKET NO. 93-030-T - ORDER NO. 93-777✓
AUGUST 30, 1993

IN RE: Application of Judy Dailey, Rt. 5,)
Box 258, Myrtle Beach, SC 29577,) ORDER DENYING
to Reinstate Class E Certificate) REINSTATEMENT
No. 4049.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of Judy Dailey (the Applicant) filed on August 20, 1993, to reinstate Class E Certificate of Public Convenience and Necessity. Rule to Show Cause Order No. 93-224, dated March 26, 1993, cancelled the above-mentioned Certificate for failure to file proof of insurance with this Commission as required by R.103-170 et seq. Subsequently, the motor vehicle carrier has come into compliance with the Commission's Rules and Regulations by filing the requisite proof of insurance and requests that the Certificate in question be reinstated.

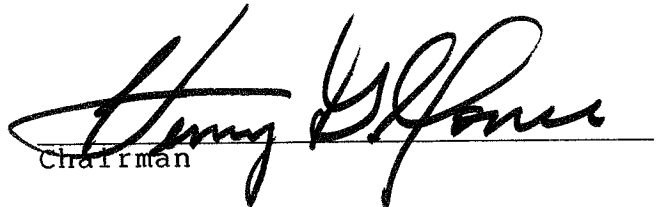

Pursuant to her request for reinstatement, a safety inspection of the Applicant's equipment was performed. The safety inspection resulted in a rating of unsatisfactory. Due to the unsatisfactory safety rating, the Commission cannot approve the Applicant's request for reinstatement of her Certificate.

However, pursuant to Commission Regulation 103-881, Applicant may file a Petition for Reconsideration of its Application within twenty days (20) of Applicant's receipt of this Order denying the Application. Improvement of the Applicant's safety rating to a satisfactory status during the pendency of such a Petition is a matter that the Commission may take into consideration when it examines Applicant's Petition for Reconsideration.

IT IS THEREFORE ORDERED THAT:

1. The Application of Judy Dailey is hereby denied.
2. That Applicant may file a Request for Reconsideration within twenty (20) days of the receipt of this Order.
3. That this Order shall remain in full force and effect until further Order of the Commission.
